Impact Analysis Statement

Summary IAS

Details

Lead department	Department of State Development, Infrastructure and Planning
Name of the proposal	Planning (Prescribed Amounts) Amendment Regulation 2026
Submission type	Summary IAS
Title of related legislative or regulatory instrument	Planning Regulation 2017
Date of issue	25 June 2026

Proposal type	Details
Regulatory proposals where no RIA is required	The proposal comprises a routine fee indexation which does not require regulatory impact analysis under the *Queensland Government Better Regulation Policy.* The *Planning Regulation 2017* specifies 'prescribed amounts' which determine the maximum charge a Local Government or distributor-retailer is allowed to adopt in relation to charges for infrastructure. Under the proposal, a routine indexation of these amounts is made according to the producer price index for construction *6427.0 (ABS PPI) index number 3101—Road and Bridge construction index for Queensland*, published by the Australian Bureau of Statistics, as per the definition of 'PPI' in the *Planning Act 2016*.
