Proposal type	Details
Regulatory proposals where no RIA is Required — Internal Management of the Public Sector	This proposal facilitates appropriations for Queensland Government departments for Unforeseen Expenditure in 2025-26. The proposal relates to the internal management of the public sector and is not subject to Regulatory Impact Analysis (RIA) requirements under the Better Regulation Policy. There are not any additional costs associated with implementation. These Bills fulfil a legislative requirement to formally appropriate payments from Consolidated Fund that have already occurred.
